Ms. Chavez and Ms. Whiting,

A copy of ADEM's Inspection Report for the CEI at Chemical Waste Management is attached. If possible, please take a look at it and let me know if anything seems inaccurate. I removed the pictures so I could email the file (it was too large to send via email with them attached). Please let me know if you need them.

I apologize for the delay in getting this to you. If possible, please let me know what you think within 15 days.

Thanks.

Mr. Stallworth,

Now that the HWTM for Chem Waste has had some time to season, I (with the help of Bailee and Linda) have discovered a few typos. I have corrected them in the attached document. Please disregard the previous copy I send you and review this one instead. Thank you.

Mr. Stallworth,

Please review the attached document. It was too large to send with the photographs attached; I can provide them to you if you would like me to. Thank you.
